To Our Valued Customers:

Cedarbrook Lavender & Herb Farm wishes you a wonderful year ahead in 2012 and would like to inform you of some exciting changes coming this season.

In order to focus on our increasingly successful wholesale division, we are downsizing our retail operation and temporarily closing our retail farm store. However you still will be able to continue to purchase our terrific line of products through our website with our on-line gift shop. Food service is no longer available on the farm.

If you are local to the Sequim area, we will be more than happy to arrange personal drop off of retail sales. If you find yourself visiting the area, please feel free to contact us, and we will be happy to have you stop by. At this time, we can accommodate in-person sales by appointment only.

We had a very successful retail season this past summer and throughout the Christmas season in the Seattle area with our "Lavender Bunch" kiosk at the Southcenter Mall. With the on-going success of our booth, we are planning to have a little bit of the farm at "Lavender in the Park" during the Sequim Lavender Farm Faire in July. We are in the early planning stages for the Lavender in the Park so check with us in April for details.

Please know that we will be participating in other events throughout the year as well and we will keep you informed of the dates and locations as they become available.

Gary and I look forward to connecting with you online through our website at www.cedarbrooklavender.com, wholesale clients at www.cedarbrookwholesalelavender.com

Thank you so much for your patronage - past, present and future!

Warmly,

Gary & Marcella Stachurski
